

Magnapop, Rip The Wreck

? ? ? fits you by

Single ?

Single eye

Dot your i's and cross your t's

(watch what you're saying)

Make an effort if you want to be

(watch what you're saying)

Make an effort if you want to be like me

(stop what you're saying ohhhh)

When you know it's child's play

A broken door it swings

In the season of the water?

You must bring toys to sleep

Listen to the rains outside

Never? even pass it by

Stay awake to really hide

(stop what you're saying)

? threat until you say

(stop what you're saying)

? threat until you say goodbye

(stop what you're saying ohhhh)

When you know it's child's play

A broken door it swings

In the season of the water?

You must bring toys to sleep

Rip the wreck with polish

Even ?

? crawls on shattered glass

The child ?

When you know it's child's play

A broken door it swings

In the season of the water?

You must bring toys to sleep
