

# Magnet, On Your Side

(Lyrical &quot;Hums&quot;)

For all that you breathe in and all that you breathe out,  
You just can't breathe any life into something that's expired.  
Now every tear you've cried will seem so uninspired.  
It don't matter what do you do,  
it doesn't matter what you've done.  
I'll be on your side, I'm on your side.  
you'll always find me, on your side.

(Lyrical &quot;Hums&quot;)

I've seen your crazy eyes and I've heard your crazy talk.  
You can say it's just bravado, but go lightly where you go.  
Cause to see you dig that hole that's piercing through my soul.  
Don't matter what you've seen,  
it doesn't matter where you've been.  
I'll be on your side, I'm on your side.  
You'll always find me, on your side.

On your side...I'm on your side.

(I'm on your side...)

(Lyrical &quot;Hums&quot;)
