

# Magno, Frontin'

(\*talking\*)

Yeah, it's your boy Magnificent  
AKA Magno, shouts out to my boys  
J and Nick, off in that Austin baby  
We putting it down, you know I'm saying  
Major Without A Major Deal finna drop  
We acting bad baby, Swisha House  
Swisha Blast, check it

(Magno)

I know I'm out of line, when I'm fronting and shit  
Acting like you ain't the one I'm with, or the one I hit  
When I pull up, in front of them chicks  
Name plate in front of the six, on the real  
I could pull up in a Geo, and snag these hoes  
The white girls love me, like Leo Dicaprio  
But uh, I'm just out here to snag these O's  
I tell these hags back back, like my name Lil O  
I got a lil' loot, but I want a lil' mo'  
And I never let a dumb hoe linger  
I don't fuck with ugly hoes, I give them the Mutumbo finger  
I'm a Conroe to Monroe swinger  
When I stop, watch them dubs slow down  
Trunk slam like a gavel, by Judge O. Brown  
I got them caramel, and fur chose now  
I don't fuck, I just hug hoes now  
All this cause I bust flows now, god damn

Listen up..

(Magno)

All I gotta do, is grin at chicks  
And I can pull a bad Latina, like my name Ben Afflick  
But I'm just trying to sip gin, that's it  
And you running up talking bout I'm fronting, man end that shit  
I'm tired of trying, to persuade you hoes  
I just switch you like records, by DJ Larose  
Can't let a hoe, delay my O's  
I'm too busy trying to make y'all, replay my flows  
If I'm not in your face, that don't mean I'm fronting  
Buy Crys' by the case, that don't mean I'm stunning  
It's like, you trying to look for something  
I guess I got you hooked or something  
They don't call me Magnificent for nothing, but I know one thing  
I'm not significant for fronting, holla back  
Once you realer than your act, and maybe then  
You can get Chinchilla on your back, you know the number
