(\*talking\*)

Magno ya heard, Rookie of the Year baby  
Coming soon, uh, Collection Plate  
For them girls that be bopping mayn  
When they see the slabs, they be like  
(oooh-aah-ahhhh), uh

(Hook)

When I pull up in that slab, she like  
(oooh-aah-ahhhh)  
When she see the rims spin, she like  
(oooh-aah-ahhhh)  
When she see that fifth recline, she like  
(oooh-aah-ahhhh)

Already mayn, check it, uh

(Magno)

I wreck the mic, and get mo' cells gains  
So remember I bring the lemons, like Coatenell Hanes  
I keep my hoes run train, nice slab  
Dick game on point, I ain't gotta have nice abs  
I bust a flow, and make the whole state smile  
Plus the chicks, love my colgate smile  
I grab the mic, and then I flow eight miles  
Now I'm picking up the do', cause I'm switching  
Up the flow, and I can go eight styles  
She love the whip, plus the motorcycle sick  
I don't fuck with dirty birds, like Michael Vic  
I ain't surprised, that the bitch like my dick  
She damn near nuted on my book dog, the bitch like my whip

Uh, yeah, check it

(Hook)

Got her bopping already, holla

(Magno)

I pull up, and let the neighborhood watch  
My garage got more prowlers, than the neighborhood watch  
Screens lit, TV macks in the dash  
Want a table in they headrest, you niggaz need bed rests  
Wait a sec, do you know  
The boy that could hop in the slab, and connect the Juno  
Magno the numero uno, I flow for chips  
More bikes, than a episode of CHiPs holla

(Hook)

Holla back yeah, yeah

(Magno)

Besides the rims, she love the gold trim  
She on dick, and she ain't trying to jump off like Lil' Kim  
Try to jack, I slide that pump off and peel ten  
I gotta keep it at the condo, it got everything like gumbo  
Plasma T.V., MP's up in the console  
That's reason for the gun blow, but geez it get her blowed  
And just to think, cause my chops is higher  
She don't mind acting bad, on my Oscar Meyer, picture that

(Hook)
