

Magnum, Just One More Heartbreak

I've been rejected, left unprotected
And you might say that I'm a no count
But I'm still growing and the river's still flowing
Now I know just what it's all about

Ain't well connected, can't get accepted
That's just another bridge I have to cross
I'm a believer and faith's the healer
But there's a price to pay, I know the cost

And if it takes a long time, there's no excuse

Just one more heartbreak
Another memory - turn me loose
Just one more heartbreak
You'll have to run to me

The looks of tension, too cold to mention
Like some muddy boots on someone's polished floor
Ain't broken hearted, well I've just started
I've got some boots you've never seen before

I can wait, I can dream, forget the bad news

Just one more heartbreak
Another memory - turn me loose
Just one more heartbreak
You'll have to run to me

And so we live - hour-by-hour fades away
But I know this - I'll make the best of every day

Just one more heartbreak
Another memory - turn me loose
Just one more heartbreak
You'll have to run to me
