

# Magnum, Reckless Man

No promises to keep  
Won't lose an hours sleep  
Talks fast but makes no sense  
The mask of innocence

Turns on the golden light  
Perception clear and bright  
He don't need no crystal ball  
He don't need no one at all

He's a reckless man  
He won't crack as a matter of fact  
He's a political man  
He's got blood on his hands

He thinks he wrote the book  
Just take a second look  
He reads it everyday  
Then tells it anyway

He's a reckless man  
He won't crack as a matter of fact  
He's a political man  
He's got blood on his hands
