

Magnum, Sometime Love

I'm looking round at the posters on the damp wall
Hear static on the radio
There's no sound from the mission or the dance hall
No place that I want to go

Broke up, am I dreaming it's a sad day
Too much to be sitting here alone
Bad luck and it's going to be a long day
There's no number I can telephone, telephone

When you fall, it's no game
'Cause if you do it over again and again and again

Sometime love will break your heart
Sometime love is very strange
Sometime love takes you apart at every stage
Sometime love will break your heart
Break your heart or what remains
Sometime love takes you apart, drives you insane

Daybreaks and it starts another heartache
Hurts bad, reaching out for someone
The game's up, comes another heartbreak
All this and it's only just begun

When you fall, it's no game
'Cause if you do it over again and again and again

Sometime love is very strange
Sometime love takes you apart at every stage
Sometime love will break your heart
Break your heart or what remains
Sometime love takes you apart, drives you insane
