

# Mahmut Orhan, Feel (feat. Sena Sener)

Slow down the sunrise  
And keep the tone  
Put the cold in my bones  
Watch as the fear has flown  
And your mind is beautiful as child  
Stay still until they find it out

The smell of wood in the air  
The 19th century atmosphere  
My hair is up, my feet are bare  
The 19th century atmosphere
