

# Mai Kuraki, The Rose~melody In The Sky~

You are so far away...  
Its getting late  
Youre my friend was all I could say  
And why...  
I thought you were in my heart  
Now youre gone  
Can you feel the love?  
Memory we had  
Tears are falling down to the rose  
Melody in the sky  
Do you hear my voice? Can you feel the love?  
Tonight, Ill feel you close to me
