

Mainstay, Become Who You Are

So it seems that I'm wrong,
cuz you said that I would never want for anything again
But my eyes are set low
and I'm holding to the thing I know I can't keep

I keep on chasing the wrong things

This isn't who I'm supposed to be
I keep on learning the hard way from every mistake
And I'm finding each time that you fall,

So it seems that I'm wrong,
cuz I keep on searching for the answers that I don't need
I know I don't need
