

# Mainstay, Believe

I don't know if I still have the strength to get up again  
I don't know if I can face my own reflection  
Jesus, take this heart that feels  
so cold again, and make it new

I hold this hope inside that you'll never leave me

When all around me starts to fall,  
and when my faith it seems so small  
Even in my darkest hour, I will believe  
Even if the sun begins to fall,  
even when I feel nothing at all  
Even if I'm all alone, I will believe

I don't know how I could turn my back and walk away  
All I really want is for your love to hold me  
Jesus, take this heart and make it whole again

I know you'll never leave me
