

Mainstay, Hang On

I don't know how I got to where I am
All I know is that I want to go back
to the moment when I fell in love with grace
and I hear You whisper

Hang on, I know your hope seems gone
Hang on, sometimes the heartache makes you strong
Remember the first time love turned you around

I try my best to pray but my heart won't move
And all the words the saints say, they just don't help
I want to go back to when I first called out Your name
and I hear You whisper

To the moment when I fell in love with grace
To the day when I first called our Jesus' name
