

Mainstay, Stars Are Singing

Under open skies I leave the day behind
Wonder in my eyes, the world feels so alive
I just speak Your name and my heart seems to change
God of truth and grace, I can only praise You

And the stars are singing out
the glory of Your wondrous love
Heaven's reaching down
to show me all that You have done for me

Under soft twilight, I can hear your voice tonight

Your name is higher than the Heavens
Your glory fills a million skies
Your heart is reaching down from heaven
and my soul cries out to You
