

# Maire Brennan, Misty Eyed Adventures

Gently reach for the blossom  
Part the leaves and journey on  
Don't be afraid  
Seas are deep  
Stay close to me  
Picture ships full of treasures  
Stormy Weather warning clouds  
Don't be afraid  
Oceans are wide  
Feel our time is precious

Fol la low ro fol la low  
Promising that you turn to me  
Side by side  
Arm in arm  
My love is true  
Echo sound of raindrops call  
Never fear I'm there when you fall  
Side by side  
Hand in hand  
My love is true

Misty eyed adventures  
Frame of thought be brave and bold  
Don't be afraid  
Birds will sing  
Always for you  
Springtime days will grow longer  
Building castles happy and sad  
Don't be afraid  
Years will pass  
Feel our love is endless

Fol la low ro fol la low  
Promising that you turn to me  
Side by side  
Arm in arm  
My love is true  
Echo sound of raindrops fall  
Side by side  
Hand in hand  
My love is true
