

# Maite Kelly, Had about enough

I know it's hard for you sometimes  
I've had about enough, about to give it up  
I know they've slained you, they scorned you but  
You never stroke them back, you always kept your eyes  
Into mine, eyes into mine  
I never thought it'd hurt me so bad (I never thought)  
To love you like I love you darling  
I never thought it'd hurt me so bad (I never thought)  
Bad  
Shall you lose all your courage  
Clutch unto my love and you will refind  
They say your not but you are mine  
You're my precious little one and you should always know  
I'll be with you, I'll always be with you  
I'll always be with you, always be with you  
I never thought it'd hurt me so bad (I never thought)  
To love you like I love you darling  
I never thought it'd hurt me so bad (I never thought)  
So bad  
I never thought it'd hurt me so bad (I never thought)  
To love you like I love you darling  
I never thought it'd hurt me so bad (I never thought)  
So bad  
Don't be afraid, huh, don't be afraid  
Have the courage to love, the courage to love again (I never thought)  
(I never thought) I never thought it'd hurt me so bad (I never thought)  
To love you like I love you darling (I never thought)  
I never thought it'd hurt me so bad (I never thought)  
So bad  
(I never thought) I never thought it'd hurt me so bad (I never thought)  
To love you like I love you darling (I never thought)  
I never thought it'd hurt me so bad (I never thought)  
So bad, so bad
