

# Maite Kelly, We can love

We were so young  
We were so wrong  
But boy did it feel better else  
We've sworn our love  
We've sworn our faith  
And then life took us apart and  
Told us what it had to say  
So we danced  
And we laughed and we cried and we fought  
And we never gave a damn about what others thought  
Yes we danced  
And we laughed and we cried and we fought  
And we swore each other, we swore each other  
I looks at you and you looks at me  
Nothing's for free  
But we can hold on  
'Cause we can be strong  
We can be everything Baby  
Yes we danced  
And we laughed and we cried and we fought  
And we never gave a damn about what others thought  
Yes we danced  
And we laughed and we cried and we fought  
And we swore each other, we swore each other  
We never lie  
We can love, we can love, we can love  
We can love, we can love, we can love
