

# Maja Szymanowska, Christmas Time is coming

CHRISTMAS TIME IS COMING

Śl. Paweł Pyzik

Muz. Maja Szymanowska

There is a time  
When all is white  
And in the sky  
Magical light  
Full of excitement  
I go outside and  
It's you!

I never know  
Christmas is here  
Until you come  
And hold me dear  
Now I can feel how  
Everything's near when  
You're here!

Refren:  
All the joyful moments I can give you  
Every sparkle in my eyes  
I will share with you this Christmas night while  
Looking for the first of stars

I couldn't dream  
Of something more  
Than you and me  
Falling in love  
Santa was very  
Generous when he  
Sent you!

When we have sung  
Carols at night  
You hold my hand  
It felt so right  
We are together  
Please stay forever  
With me!

All that I want  
On Christmas Eve  
Is just for you  
To stay with me  
Smile and admire  
How I desire  
Your love!
