

Majestic, Wake up

Wake up! Wake up!
Wake up! Wake up!
So dont get to sleep
Its not really time for it
So dont get to sleep
You have to do so many things
Not so simple, oh no
Not so simple, oh no
Tired people, they dont care
Or maybe are not aware
That depends only on you
How your life is going through
Wake up! Wake up!
Wake up! Wake up!
So dont get to sleep
You should really think about it
So dont get to sleep
You have to do so many things
Not so simple, oh no
Not so simple, oh no
Try to use your inner strength
Find someone who want the same
It'll be easier to survive
And you'll get a better life!
Wake up! Wake up!
Wake up! Wake up!
