

# Major Lazer, Can't Take It From Me (feat. Skip Marley)

if someone made you believe  
you've reached all you can be  
so much that you can't see that I see  
you can't take the light from the sun  
you can't take the waves from the ocean  
you can't take the love out of me

No matter what they do  
No matter what they say  
No matter that they try  
No matter that they way  
no matter what they do

No matter what they do  
Can't Take It From Me  
No matter what they say  
Can't Take It From Me  
No matter the they try  
Can't Take It From Me  
No matter that they ...  
Can't Take It From Me

caan't take it form me  
no no no  
come and and  
you takre it from me

if another heart was in need  
would you help them to their feet  
ot would you watch them bleed wile you bleed

if someone made you believe  
you've reached all you can be  
so much that you can't see that I see  
you can't take the light from the sun  
you can't take the waves from the ocean  
you can't take the love out of me

No matter what they do  
No matter what they say  
No matter that they try  
No matter that they way  
no matter what they do

No matter what they do  
Can't Take It From Me  
No matter what they say  
Can't Take It From Me  
No matter the they try  
Can't Take It From Me  
No matter that they ...  
Can't Take It From Me
