

# Major Organ And The Adding Machine, His Miste

cataloguing pictures taken of telephone poles, detailed in  
the files we stashed in the old folks home... and they  
won't live long  
interlope in the garden if it's not too late, make a list of  
serial numbers name, rank, and weight O,O,O,O,O,O,O,O,O,O  
little drum drumer boy, take bug place it under the lamp  
intercepting transmission ment for the Hum Drum (the  
indigent front), take our orders so we can go home,  
home to wheat field and flow chart, not the box of such  
unnatural danger too us, it's a blight, it's a crutch, O,O,O,O,O  
O,O,O,O,O, we don't want to free her  
we just want to go home
