

Make It Pop, Make It Pop

Bright lights
late nights
ow out on tour
Screaming fans
hanging at the stage door
Everyone who's anyone
Is wearing my line

Front seats
fashion week
for my designs

Woo hoo
one day
woo hoo
someday

We'll be taking over
look over your shoulder
we're gonna bring it hard to you

I can't wait no
I can't wait no
I can't wait no
I can't wait!

So make it pop!
we're bout to
we're bout to blow

wait til we drop
oh yeah we're ready to go
Ain't gonna stop
when is it time for the show

we make it
you make make it
we make it
ma ma ma ma make it pop

Sky high
Like a cloud
Turn it up
And then play it loud
We're on stage and we'll light em up
They all know they can't get enough
(Ah ah ah aah)

When I step on they're gonna feel my flow
From the very front seat to the very last row
Crazy style, we're way too cool
We won't stop cause that's how we do

Woo hoo
One day, woo hoo, someday
We'll be taking over, look over your shoulder
We're gonna bring it hard to you

I can't wait, no
I can't wait, no
I can't wait, no
I can't wait

So make it pop!

we're bout to
we're bout to blow

wait til we drop
oh yeah we're ready to go
Ain't gonna stop
when is it time for the show
we make it
you make make it
we make it
ma ma ma ma ma make it pop

We're bout we're bout to blow
Wait til we drop oh yeah we're ready to go
Ain't gonna stop when is it time for the show

We make it, you make make it, we make it
Ma ma ma ma ma make it pop

We got the fire, and we got the game (we got the game)
We got the fire, and you'll know our name (you'll know our name)

We got the fire, and we got the game (we got the game)
We got the fire, and you'll know our name

So, I can't wait, no
I can't wait, no
I can't wait, no
I can't wait

Wait til we drop
Oh yeah we're ready to go
Ain't gonna stop
When is it time for the show
We make it
You make make it
We make it
ma ma ma ma ma make it pop

We're bout we're bout to blow
Wait til we drop oh yeah we're ready to go
Ain't gonna stop when is it time for the show

We make it, you make make it, we make it
Ma ma ma ma ma make it pop!
