

Make It Pop, Misfits

You like red, I like blue
purple yeah is pretty cool
You like books, I like shoes
On line shops are what we do

Jodi
You like sun, I like clouds
always making rainbows

Sun Hi
You like hot, I like cold,
we create tornados

All
Come on come on

Jodi
When we start to sing it

All
Come on Come on
Everybody sees it
People say we're the misfits (hey)
But we don't care 'cause we like it (oh)
And all the together we can rule this (yeah)
And be cooler than the cool kids (oh)
People say we're the mavericks (hey)
We don't care 'cos there's magic (oh)
And all together we can rule this (yeah)
And be cooler than the cool kids

Corki
You like beaches, I like pools
Waterslides are pretty cool
You like crazy, I like wow
And we love to break the rules

Jodi
You like fast, I like slow
We're a roller coaster

Sun Hi
You like loud, I like louder
Party till it's over

All
Come on come on

Sun Hi
When we start to sing it

All
Come on come on
Everybody sees it
People say we're the misfits (hey)
But we don't care 'cause we like it (oh)
And all the together we can rule this (yeah)
And be cooler than the cool kids (oh)
People say we're the mavericks (hey)
We don't care 'cos there's magic (oh)
And all together we can rule this (yeah)
And be cooler than the cool kids (oh)

Yeah yeah yeah yeah

All together we can rule this
And be cooler than the cool kids

All
We get together and the sparks ignite
We get together and electrify
We get together and we make it shine
We get together and we dance all night (hey)
Night (hey)
We get together and we see the light (light light)
It feels so right

Corki
People say we're the misfits
Yeah...

Sun Hi
And yeah we're gonna rule this

All
Yeah yeah yeah yeah
And all together we can rule this,
And be cooler than the cool kids
People say we're the misfits (hey)
But we don't care 'cause we like it (oh)
And all the together we can rule this (yeah)
And be cooler than the cool kids
People say we're the mavericks (hey)
We don't care 'cos there's magic (oh)
And all together we can rule this (yeah)
And be cooler than the cool kids (oh)
