

Make It Pop, My Girls

Even though we're tight
Don't see eye to eye
I don't wanna fight
Can't we let it slide

Round and round in circles
It all ends the same
But it's always worth it
Friends will never change

[All:]
We'll end up right where we began
Bring it from the start
Time to take a stand

We're still gonna be the best of friends
Wake up, make up
That's the way we blend

My girls
We're all on the same team
My girls
We're not here to play
My girls
Living for the same dream
My girls
Everyday, ay, ay, ay

My girls
Na na na na na na
My girls
Na na na na na
My girls
Na na na na na na
Na na na na na na na na

[Sun Hi and Corki:]
We're one and the same
Separate in style
But I see your game
I know you that is why
When you give it good
I can give it back (give it back)
You get on my nerves
But we're still on the same track

[All:]
We'll end up right where we began
Bring it from the start
Time to take a stand

We're still gonna be the best of friends
Wake up, make up
That's the way we blend

My girls
We're all on the same team
My girls
We're not here to play
My girls
Living for the same dream
My girls
Everyday, ay, ay, ay

My girls
Na na na na na na
My girls
Na na na na na
My girls
Na na na na na na
Na na na na na na na na na na

[Jodi:]
We're the same, that's all it's ever been
Way closer than all our other friends
You got me and I got you
We fight but in the end we stick like glue
Nothing now can break us down
We run the school, we'll rule this town
Across this land, around the world
Better watch out with for me and my girls

[All:]
My girls
No no no
My girls
Oh oh yeah
My girls
Ooh ooh ooh ooh
My girls
Everyday-ay-ay-ay

My girls (Yeah!)
Na na na na na na
My girls
Na na na na na
My girls
Na na na na na na
Na na na na na na na na na na

My girls
We're all on the same team (Oh!)
My girls
We're not here to play
My girls
Living for the same dream
My girls
My girls
