

Make It Pop, Party Tonight

Sun Hi
What's up?
There's something in the air

Jodi
It's that feeling when the weekend comes

Corki
Say, what you doing way up there?

Sun Hi
I think that we could have some fun

Jodi
I know this place where we could go

Corki
We're not invited, but who cares?

Sun Hi
We girls are putting on a show

All
There's so much happening out there, out there, out there

Caleb
Party People!

All
Do whatever ever, ever
Be whatever ever, ever
Dance forever ever, ever, ever
So climb out your window
'Cause we're waitin' for you!
We're gonna party tonight
Oh, oh, oh, oh, oh, oh, oh, oh, oh
We'll go crash the party!
Call up everybody!
We're gonna party tonight
Oh, oh, oh, oh, oh, oh, oh, oh, oh
Forget what your head says,
We're young and we love it
We can do what-e-ver we like,
Oh, oh, oh, oh, oh, oh, oh, oh, oh
So climb out your window cause we're waitin' for you
We're gonna party tonight.
Oh, oh, oh, oh, oh, oh, oh, oh
We're gonna party tonight!

Sun Hi
Hook all your friends up with a text

Jodi
We'll turn some speakers up and dance

Corki
Break rules like Charli XCX,

Sun Hi
And throw stuff up on Instagram

Jodi
Set fireworks up in the park

Corki
And watch them lighting up the air

Sun Hi
We'll crash out underneath the stars

All
There's so much happening out there, out there
