

Make It Pop, What Love Is About?

Ooooh woooo Oooh

Jodi

They say you'll know when it's true
But what I'm feeling, it's just all so brand new
They say you'll know when it's right
But I've never been here before, I never tried

All

I wanna know, wanna know
What this love is about
I don't know what I'm feeling gotta figure it out
I wanna know, gotta know
What all of this could lead to
Am I really falling for you
Falling for you
Oh oh falling for you
Oh oh

Corki

You say you wanna be friends
We play it cool but it's so hard to pretend
Deep down I think we both know
You and I, what we have could somehow
Continue to grow

All

I wanna know, wanna know
What this love is about
I don't know what I'm feeling gotta figure it out
I wanna know, gotta know
What all of this could lead to
Am I really falling for you

Jodi

Not a day goes by
Without me thinking about you and your sweet smile
Could we one day be (could we be)
Together, er,er?

Sun Hi

Oh oh

All:

I wanna know, wanna know
What this love is about
I don't know what I'm feeling gotta figure it out
I wanna know, gotta know
What all of this could lead to
Am I really falling for you
Falling for you
Falling for you
I gotta know, gotta know
Am I really falling for you...
