

Make Up Your Mind, Dreamers Addiction

Verse:

You are beautiful,
Although I can not see the face I am constantly talking to,
I'm longing for Your words,
They sound like the sweetest,
My ears are addicted,
You are feeding my heart.

Pre-Chorus:

It is impossible for me to say,
That I never met You, but I just can't find a way,
To define, to describe what I feel.
But when You 're looking at me you make me feel so alive.

Chorus:

I got stuck in a mess where I couldn't get out,
That's where You pulled me out on that past summer night,
When I stared at the sky, hoped to catch just a glimpse,
Waited till You showed up but fell asleep on the ground.

Bridge:

Hallelujah.
