

# Make Up Your Mind, Dreamers Addiction

Verse:

You are beautiful,  
Although I can not see the face I am constantly talking to,  
I'm longing for Your words,  
They sound like the sweetest,  
My ears are addicted,  
You are feeding my heart.

Pre-Chorus:

It is impossible for me to say,  
That I never met You, but I just can't find a way,  
To define, to describe what I feel.  
But when You 're looking at me you make me feel so alive.

Chorus:

I got stuck in a mess where I couldn't get out,  
That's where You pulled me out on that past summer night,  
When I stared at the sky, hoped to catch just a glimpse,  
Waited till You showed up but fell asleep on the ground.

Bridge:

Hallelujah.
