

Make Up Your Mind, I'm On My Way

Verse1:

Wait and watch me get my Cadillac,
Wait and watch me get away,
(I'm going to get there),
And you will only see a flash,
A blur of me going by so fast.

Pre-Chorus:

Actually I am and want to be like you,
When you were my age you did things like I'm now doing too,
I'm already on my way,
I'm already on the go,
To waste my time and stand in line behind you.

Chorus1:

I'm so sure, I'll get it all done,
There's so much time, so I just go on.

Verse2:

I do like my car but this road is so long,
Got so much to do but the time's ticking on,
I'm loco going crazy just to get it all done,
I nearly have time to watch television.

Chorus2:

I'm not sure, if I'll get it all done,
There's not much time, so I must go on.

Verse2:

Wait and watch me get what I just said,
Wait and watch me carry the weight of the world on my shoulder,
It's me alone I'm right off track,
I'm gone but knowing one day I'll come back.

Chorus3:

I'm so sure, I won't get it all done,
It's all too much, to waste my time on.

Outro:

I am on my way, Oh I am on my way,
I don't know where I'm going, I know that one day I'll come back,
I am away, I am, I am away.
