

Make Up Your Mind, Something More I Found

Another Sunday morning and your lying in your bed, your far away in never land because you won't

Something, something more I found

You think it's selfish when your left alone but I'm not sleeping out, there are better things for me to do
He's the one who gave his life to you while you prefer your lonely track.

Something, something more I found

Let Him into your small world and he won't let you down, like friends who mess around your back w
