Makle Kfuckle, Animals

All the people live - just like animals All the people act - just like animals All the people fuck - just like animals Maybe even worst

We all play the field - just like animals We all garbage down - just like animals We all want to slag - just like animals Maybe even worst

Ref. Why people are, people are animals?

I came to the conclusion that we Loosin' something's wrong Str8 to the devil we be loosin' fo' So long So what's up why the hell we acting Just like hoes Fuck the dirty dogs anything goes And it shows
