

# Malachi Crunch, Crunchy Lady

Crunchy  
Crunchy  
Well you know you are a sweet little peacemaker  
Crunchy  
And you know you are a gender role breaker  
Crunchy

I want you to take me home  
But I got a Y chromosome  
I got to be all yours, indoors  
Crunchy Lady

Crunchy  
Crunchy  
I see you with your multi-pierced ear  
Crunchy  
I don't care if you wear a brassiere  
Crunchy

We're two of a kind  
We both really dig womankind  
I got to be all yours, indoors
