

# Malcolm Middleton, Fight Like The Night

You can be my hero  
By not letting me down  
Not letting me down again and being around

You can be my hero  
By crawling into the rut  
Crawling into the rut with me and holding my chin up

You fight like the night  
Weakness is my guide  
I'm walking a dark road  
I'm running out of time  
I don't want to die  
I love your eyes  
They show me above all  
Show me I'm loveable

On goes the battle  
Rages the war  
Casualties of the week day  
The figures soar  
Our past the general  
He stands on the line  
His body a spiral  
Salt in his mind

You can be my hero  
By not letting me down  
Not letting me down again and being around

This town is a great place  
I love you at night  
When it's darker we're stronger  
Getting ready to fight  
But for now it's the grey slates  
And one side of noise  
The banks are circling again  
I don't wanna to wear clothes

You can be my hero  
By not letting me down  
Not letting me down again and being around

You can be my hero  
By crawling into the rut  
Crawling into the rut with me and holding my chin up

You fight like the night  
Weakness is my guide  
My wrongs show me what's right  
We're running out of time  
I don't wanna die  
I love your eyes  
They show me above all  
They show me I'm loveable
