

Malcolm Middleton, We're All Going To Die

We're all gonna die
And what if there's nothing
We'll all have to face this alone
There's a when not an if
Inside everybody
Mortal thoughts like these can make you feel
So alone

You're gonna die, you're gonna die
You're gonna die alone
You're gonna die, you're gonna die
You're gonna die alone
All alone

And what if I don't become
Famous posthumously
Maybe my story's no good
If I can take one possession
It'll have to be my duvet
When oblivion comes calling it'll be
So cold

You're gonna die, you're gonna die
You're gonna die alone
You're gonna die, you're gonna die
You're gonna die alone
All alone

If you can't sleep at night
And there's no one to hold you
Remember I'm going through the same
You've got to laugh into the dark
We're all one in a million
We're alive, we existed, we took part
In the game

We're gonna die, we're gonna die
We're gonna die alone
We're gonna die, we're gonna die
We're gonna die alone
We're gonna die, we're gonna die
We're gonna die alone
All alone
