

Maleo Reggae Rockers, Zion

Zion is the place I wanna go
Zion is the only aim I know
Zion is the place I wanna know
Zion is the only place I know
Bring your hope
Bring your love [oo] to your brother
Say we all are beloved
By Heavenly Father
We can't stop that fire
Look around
We gonna get much higher
One love for you one love for me [oo]
We so close to victory
Zion is the place I wanna go
Zion is the only aim I know
Zion is the place I wanna go
Zion is the only place I know
People look for something to believe
Wasting time for nothing
In the Bible every line every word
Is so prophetic
We cant stop that fire
Look around
We gonna get much higher
One love for you one love for me [?]
We're so close to victory
Zion gate is open now
Zion train is coming
Want you get on board
Come to the gate of Zion
