

Malevolent Creation, Dawn Of Defeat

[Music: Jon Rubin / Lyrics: Brett Hoffman]

The mass extinction
Future reality
Ominous design
Spawning of hatreds seed

All out destruction
On a global scale
This chain reaction
No life will prevail

Dawn of defeat [x2]

Power of nature
Harness to destroy
Archaic is the future
Devastating consequence
Mutating viruses
Stark Reality
Uncontrollable
21st century
[x2]

Finalized
All out assault
Lethal doses
Dawn of defeat
Dawn of defeat

Finalized
All out assault
Lethal doses
Dawn of defeat

Power of nature
Harness to destroy
Archaic is the future
Devastating consequence
Mutating viruses
Stark Reality
Uncontrollable
21st century

Dawn of defeat
End of mankind
Dawn of defeat
Dawn of the end
