

# Malevolent Creation, Unleash Hell

[Music: Jon Rubin / Lyrics: Brett Hoffman]

Unleash hell  
Pray you are not against us

I unleash hell  
Upon the non believers  
Prophecy swiftly dealt  
Conquer all deceivers

No we shall never fall  
This you cannot divide  
To ranks we all are called  
Deliver the last strike

Unleash hell  
Pray you are not against us

Swift death to non believers  
We conquer all deceivers  
[x2]

One by one they will fall  
Weak minded that they are  
Omen is now installed  
Doomed end soon to start  
Now time for all to know  
Venting of this power  
Through our veins it flows  
Into the final hour  
[x2]

Unleash hell  
Pray you are not against us

Swift death to non believers  
We conquer all deceivers  
[x2]
