Song

Verse 1:

We always had so much
Always had a sense of forever
And now it hurts so much
That we can't be together
I should've known
Not to let her so close to my man
She took away my hopes and dreams
Took away all I ever had

Chorus:

I should've never let him go
Should've always held him close
What did I let away
Now I'll never know

Verse 2:

See when I met him
The timing wasn't right
But I knew he was something special
And I kept it all inside
I wish he saw it like me
It's hard bein by myself
Don't he know we belong together
We don't need nobody else

Chorus:

I should've never let him go
Should've always held him close
What did I let away
Now I'll never know

Bridge:

Could he really be like that
Could his heart be that cold
Did he ever think I'd find happiness
Being all alone
Now I don't know what to do
All I do is cry
He used to be my friend
Now who's gonna dry my eyes

Chorus:

I should've never let him go
Should've always held him close
What did I let away
Now I'll never know

Verse 3:

I gotta let go
But it's so hard
Gotta stop and say goodbye
it's so hard
Gotta say how I feel

it's so hard
Should've never let him go
it's so haaaaaard
Should've always held him close
it's so hard
What did I let away
it's so hard
Now I'll never know
it's so haaaaaaard
it's so hard

Guy: I understand. You feel better now.

Girl: (Laughing) Yeah a little bit

Guy: Maybe you should tell him

Girl: Yea okay. But I took up enough of your time. Imma talk to you later

Guy: Aight, call me if you need me again.

Girl: Aight. Bye... and Thanks

Guy: No problem. Bye
