

Malice Mizer, Chinurareta Kajitsu

As seen by the human eyes
A massacre starved for blood
The desire place
a death cry, struggling and twisting
Death cry
The sky splits asunder, a quivering and falling
The dark sea of eternity swarming with every pleasure
The cross, engraved, entwined, and covered in darkness
About to collapse and it is bloody...
me no mae ni hateshinaku hirogari yuku seijaku
me no mae ni yokotawaru chi ni somata kajitsu
me no mae ni hateshinaku hirogari yuku seijaku
me no mae ni yokotawaru chi ni somata kajitsu
Kasanari juujica wa chi mamireta
Kyouki mo yume mo kokoro no tozasareta sora e
negau nara towa ni nagareru itami o...
kuzureoshi yuku kokoro wa ubawareta sora e
ima kanau naraba towa ni tsuzuku inori o sasage
zetsubou no kage sae kirisaku hikari no naka
te no nukumori wa saigo no koe made kakikesu you ni
Sweet blood
