

# Man, Babe I'm Gonna Leave You

Baby, do you hear me honey?  
Do you hear me?  
I'm gonna leave you  
Down the road next pay day  
Baby, do you hear me honey?  
Do you hear me?  
I'm gonna leave you  
Down the road next pay day

I'm gonna ride Old Cherokee up the St John river  
Not one cent will I give  
Oh babe, I gotta leave you  
You know, I gotta leave

I gotta leave you baby,  
When summertime comes around yeah

I'm gonna ride Old Cherokee up the St John river  
Not one cent will I give  
Oh babe, I gotta leave you  
You know, I gotta leave

I gotta leave you baby,  
When summertime comes around yeah

I'm gonna ride Old Cherokee up the St John river  
Not one cent will I give  
Oh babe, I gotta leave you  
You know, I gotta leave

I gotta leave you baby,  
When summertime comes around
