

Man, Brother Arnold's Red And White Striped Tent

Someone's talkin'
Someone's talkin'
And I hear them call my name
Someone's talkin'
Someone's talkin'
And I hear them call my name
And I know, I gotta go
I know, 'cos the bible tells me so

Give me money
Give me money
My church is falling down
Give me money
Give me money
'Cos my church is falling down
Give me more, much more money
I know, 'cos the bible tells me so

Pope Paul calling,
Pope Paul shouting
And he's shouting, shouting, shouting, shouting my name
Lock your love in
Lock your love in
'Cos he's shouting, shouting, shouting, shouting my name
He says no, no contraception
Sorry Pope Paul
