

# Man, Brother Arnold's Red And White Striped Tent

Someone's talkin'  
Someone's talkin'  
And I hear them call my name  
Someone's talkin'  
Someone's talkin'  
And I hear them call my name  
And I know, I gotta go  
I know, 'cos the bible tells me so

Give me money  
Give me money  
My church is falling down  
Give me money  
Give me money  
'Cos my church is falling down  
Give me more, much more money  
I know, 'cos the bible tells me so

Pope Paul calling,  
Pope Paul shouting  
And he's shouting, shouting, shouting, shouting my name  
Lock your love in  
Lock your love in  
'Cos he's shouting, shouting, shouting, shouting my name  
He says no, no contraception  
Sorry Pope Paul
