Man, Don't Go Away

If someone came to your door
Looking for someone to talk to
Looking for someone to say "Hello"
Would you let them go away?
Don't let them go away

If someone came to your heart
Looking for someone to turn to
Looking for someone to say "Hello"
Would you let them go away?
Don't let them go away

If someone comes running to you
Arms open wide
There's one thing you gotta do
You gotta let them get inside

Don't go away
Don't go away
Don't go away

If someone comes running to you
Arms open wide
There's one thing you gotta do
You gotta let them get inside

Don't go away
Don't go away
Don't go away
