

Man, Just For You

Not so very long ago things were bad with us
People rushing round and making a terrible fuss

Old rules fly away, new tickets are making us gay again
Coloured badges, red, green and blue
Just for you, just for you, just for you

To remind us of our sad silent travelling mole
Tried to burrow underground, didn't find no coal

Now my path is clear, I can see what happened to me and you
No more one-way tickets for me and not
One for you, one for you, one for you
