

# Man, Just For You

Not so very long ago things were bad with us  
People rushing round and making a terrible fuss

Old rules fly away, new tickets are making us gay again  
Coloured badges, red, green and blue  
Just for you, just for you, just for you

To remind us of our sad silent travelling mole  
Tried to burrow underground, didn't find no coal

Now my path is clear, I can see what happened to me and you  
No more one-way tickets for me and not  
One for you, one for you, one for you
