

Man, Let The Good Times Roll

Hey everybody, let's have some fun
You only live but once and when you're dead you're done
So let the good times roll, let the good times roll
I don't care if you're young or old, let the good times roll.

Don't sit there mumbling, talking trash
If you wanna have a ball you've got to spend some cash
And let the good times roll, let the good times roll
I don't care if you're young or old, let the good times roll.

Hey y'all, tell everybody, the Manband's in town
We got some time to kill and we all raring to clown
But don't let no female play us cheap
We got fifty cents more than we're gonna keep
So let the good times roll, let the good times roll
I don't care if you're young or old, let the good times roll.

No matter whether rainy weather
You wanna have a ball you've got to get yourself together
Get yourself under control and let the good times roll.
