

Man Man, Mister Jung Stuffed

Been locked down way too long.
Ive been locked down way too long.
Take me in your boat
To those fiery shores.
I dont want to love
Anymore.
Up she goes.
Down she goes.
Oh no, this man
Crawls into my skin.
When Im this man
Dont never see the way.
I want to crawl
All up into your skin.
And on my own
Throw it to the way.
Take me in your arms
Out of harms way.
I dont want to love
Anymore.
Lay me on the shores
Of the fiery shores.
I dont want to love
Anymore.
