

Man, My Name Is Jesus Smith

Saint Peter waits
Saint Peter waits
Saint Peter waits
To open the door
Hey golden gates
Hey golden gates
Hey golden gates
I'm melting you down to be sold

The angels sing
The angels sing
Hail king of kings
And that'll be real
Now Heaven's mine
Well Heaven's mine
Hey Heaven's mine
I'm dark as a shoeshine boy
I'm dark as a shoeshine boy
I'm dark as a shoeshine boy

Shoeshine boy
Shoeshine boy

Remember me, remember me
The name is Jesus Smith
