

Man, Out Of Your Head

I ain't small, you're just tall
And if you think that bothers me
You're out of your head
You're out of your head

Easy money, now that is funny
But if you think I'm gonna laugh
You're out of your head
You're out of your head

Well I've said it before
And I'll say it again
You're out of your head
You're out of your head
You're out of your head
You're out of your head
You're out of your head

Take it all, up against the wall
But if you think I'll take it lying down
You're out of your head
You're out of your head

Well I've said it before
And I'll say it again
You're out of your head
You're out of your head
You're out of your head
You're out of your head
You're out of your head

You're out of your head
You're out of your head
You know you're out of your head
You're out of your head
You're out of your head
