

# Managga, Think twice

answer is in your mind  
you better try to overstand  
that life is worth living  
and masterplan is not a game  
you better watch every step  
rough road is not easy  
and don't try to pretend  
you better stop now!  
take life as fun  
ignore the signs  
cold like a stone, if you  
open your eyes  
search for a find  
answer is in your mind  
ref. think twice about one problem  
before you make another step fi the wrong way  
think twice analyze your strategy  
fi make real now! x2  
overstand now!  
becouse life is not a game  
search for find now  
give thanks for everyday  
open your eyes now  
it's perfect time and place  
keep the faith  
love your life  
and tommorow sun will shine  
ref. x2  
you better try to overstand  
almighty have a masterplan  
only He understands  
only He understands  
you better stop ignore the signs x2
