

Manana, Miss evening

Hello Miss evening
Nice to see you again
I know you stole the sun
But I hope you came to show
Where did I go wrong?
And am I forced to be strong?
I know you won't change
I know you won't change
Singin' ah, a-ah
Tu es, tu es le soleil
Ah, a-ah
Tu es, tu es le soleil
Hello Miss evening

And am I forced to be strong?
I know you won't change
I know you won't change

Ah, a-ah
Tu es, tu es le soleil
Let it come to an end
